

Delmarva Bridal Showcase

2009 Calender

Due to the timing of the show this year, it will be impossible for last minute things. **PLEASE** take the time NOW to get as much together as possible...Plan your booth on paper and set your own goals so we can make next year as smooth as this year! Put our deadline dates on your calendar and let's enjoy an organized 2009. **December 1st** is the absolute deadline for ALL OR ANY website inclusions. We will NOT be able to accommodate after that.

March 20th Contracts to Delmarva Bridal Showcase must be received in order to maintain same booth location and guarantee a spot for January 3rd 2010 show. This year we had over 30 new exhibitors.

March 23rd Mailing to waiting list and beyond will be sent out.

September 1st Need all info for updating of website. All ad decisions need to be finalized for website advertising. Perfect time to get the final info sheet filled out. (info to follow)

September 14th All ads need to be submitted for the website.

October 1st **FINAL** info/website/booth info sheets are due.
PLEASE NOTE: If you wish to serve food at the Bridal Showcase in January, the Wicomico County Health Department requires you to apply to them for a temporary event permit. Unless you are licensed in Wicomico County or are a bona fide non-profit group, there is a \$60.00 fee for the permit. You will find an Application to Operate a Temporary Food Service Facility on our website at www.delmarvabride.com.

November 1st Website will be updated with all 2010 Vendors.
PLEASE NOTE: All door prizes **must be received** in order to have your donation showcased on the website and included on the list of (pre-registered) giveaways - another opportunity for **free** advertising.

December We spend the entire month of December compiling and organizing all of your information to make things go as smoothly as possible the day of the event (i.e., electric, tables, chairs, information for stuffing bags, door prizes, etc.) If you do not give us this information, we don't know about it - **PLEASE** make sure we have all forms completely filled out.

WE ARE LOOKING FORWARD TO THE JANUARY 3, 2010 SHOW AND WORKING WITH YOU AGAIN!
